SHELBYVILLE

Our community has been greatly stirred up over what seems to be a assassination. Mr. John Myers when returning home, was halted by officers at Skull Camp bridge and assassinated. He was shot in the back, the weapon being a shot gun. The officers claim that Myers began the shooting and that they shot in self defense. The matter will be thoroughly investigated. There is manner. self defense. The matter will be thoroughly investigated. There is much indignation among both white and colored. Myers lived about two hours, and named the parties who did the shooting. The funeral was attended. The funeral was attended. The manner.
